

NOVELTY!

ELAGROUT™
PREMIUM RENOVATOR

PREMIUM QUALITY
EASY TO USE
LONG LASTING RESULTS

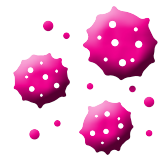

A new look for wall and floor tile grout – easily and affordably!

With ElaGrout, you can quickly and easily renew the color and durability of your tile grout. ElaGrout is the perfect solution when you want to give your tiled surfaces a fresh new look. It's fast and easy to use, provides long-lasting protection, and makes tile grout look like new. Use ElaGrout for both restoration and preventive maintenance.

A fresh new look, or maybe a color change...

With three simple steps, you'll achieve clean and refreshed tile grout that transforms the entire appearance of your space. Changing the original grout color is also possible. ElaGrout works on grout lines that are at least 1 mm deeper than the tiles. Note: The product is not suitable for porous, unglazed tiles that absorb liquids.
